### 15 years

of continuous collaboration  
with BMW Group

### DE / EN

training and coaching  
in German and English

### DACH + intl.

online and on site,  
tailored to the setting

## PROFILE

I support people who hold or are taking on professional responsibility - when decisions need to be made, conversations become challenging, or leadership and collaboration need purposeful development.

I combine first-hand experience in team leadership, executive management and entrepreneurship with sound training and coaching expertise.

## FOCUS AREAS

- Clarifying leadership, roles and responsibilities
- Communication and challenging conversations
- Collaboration and conflict resolution
- Career decisions and change

## FORMATS

- Corporate training and workshops
- Leadership and team development
- One-to-one coaching and professional sparring
- Keynotes, talks and facilitation

## EXPERIENCE

**More than 30 years of experience**  
working with leaders, professionals, teams and individuals.

**Multiple perspectives**  
as an employee, team leader, managing partner and entrepreneur.

**Cross-sector experience**  
industry, technology, science, media, services and higher education.

## SELECTED QUALIFICATIONS

- Certified Business Trainer
- Master of NLP Business Communication
- Systemic Business Consultant and Coach
- Systemic Structural and Organisational Development

## WORKING STYLE

Clear in analysis. Direct and respectful in feedback.  
Practical in implementation. Person, role and organisation are considered together.
